

# FREE PRE-COLLEGE RESOURCES

## Your Partner in Preparing 7th-12th Students for College

Kaplan has been helping students prepare for a lifetime of learning and success since 1938. We're proud to help students overcome challenges that can stand in the way of their education.

### Free Student Resources

- **Realistic practice** - Experience the [SAT](#)®, [ACT](#)®, [PSAT](#), or [SHSAT](#) tests or [AP](#)® exams before test day.
- **Study material** - Access [test-prep](#) tips, study plans, test updates, and on-demand [videos](#) on our [study](#) pages.
- **Online events** - Live workshops, sample classes, Q&A events, and more on our [free events](#) pages.
- **Expert consultation** - Have test questions? Schedule a complimentary [call](#) with a Kaplan expert.
- **ACT fee waiver** - Students who receive a fee waiver to take the ACT test will also receive access to Kaplan's [self-paced](#) courses for one year. This program is available through the registration process on ACT's [website](#).

### Free School Resources

Kaplan [partners](#) with public school districts, Charter schools, community-based organizations, federally-funded programs, GEAR UP and TRIO cohorts, STEM programs, and College Access programs to help bring greater equity and access for students by helping close the achievement gap.

#### Equity & Access

At Kaplan, we seek to [contribute](#) to a critical understanding of the historical and present-day structural and social barriers confronting people who experience marginalization or minoritization in education.

#### Digital Classroom Resources

Explore curated resources created by Kaplan's teams of Instructional Design and Learning Science experts. These [resources](#) provide expert tips, supplemental advice, and free online events to help you continue to thrive in the digital education environment.

#### Kaplan Education Foundation

The [Kaplan Educational Foundation](#) invests in deserving and diverse students from low-income communities and provides them with the opportunity to receive a college education. We believe in supporting tomorrow's Leaders who will continue to break down barriers and lift up the residents of their communities.

### Additional Educator FAQ

We know you work tirelessly to help your students be college-ready and meet their goals. If you or your school need additional support, [Kaplan Partner Solutions](#) (KPS) can help! We offer services designed to enhance your existing programs, increasing the benefits to students. Please complete the online [form](#) to learn more about our supplemental [resources](#). The [College Board](#) also has additional FAQ resources for K-12 educators such as the SAT [School Day Program](#) and SAT [fee waivers](#).
